Action Taken Report on Students' Grievances:

1. Extend Fee Payment Deadline:

- Update college policies to allow for a reasonable extension of the fee payment deadline. Communicate the new deadline clearly to all students through official channels such as emails, notices, and the college website.

2. Offer Competitive Exam Coaching:

- Collaborate with experienced faculty or external coaching institutes to design and implement coaching programs for competitive exams. Allocate resources for hiring qualified instructors, providing study materials, and organizing practice sessions.

3. Organize Science Exhibition on Campus:

- Form a committee comprising faculty members and students to plan and execute the science exhibition. Allocate space and resources for exhibits, demonstrations, and presentations. Promote the event within the college community and invite participation from students and faculty across disciplines.

4. Adjust Class Timings:

- Conduct surveys or consultations with students and faculty to gather feedback on preferred class timings. Analyse scheduling constraints and logistical considerations. Based on the feedback received, revise class schedules to accommodate desired timing adjustments while ensuring minimal disruption to academic activities.

Action Taken Report on Students' Grievances:

1. Address Limited Access to Technology and Digital Resources:

- Invest in upgrading campus infrastructure to improve internet connectivity and provide access to updated devices and software. Offer loaner programs or subsidies for purchasing technology equipment. Collaborate with local internet providers to negotiate student discounts or sponsorships for reliable internet access.

2. Enhance Career Guidance and Placement Support Services:

- Expand career counselling services by hiring additional career advisors or partnering with industry professionals. Develop workshops, seminars, and networking events to provide students with opportunities to explore career paths and develop relevant skills. Strengthen ties with employers through internships, job fairs, and alumni networks to facilitate job placements.

3. Combat Food Insecurity Among Students:

- Establish a food assistance program to provide emergency food supplies, meal vouchers, or subsidized meal plans for students facing food insecurity. Partner with local food banks, community organizations, or campus dining services to offer affordable and nutritious food options. Raise awareness about available resources and destigmatize seeking assistance for food insecurity through outreach campaigns and student support initiatives.

Action Taken Report on Students' Grievances:

1. Allowing Participation in Extracurricular Activities During College Events.

Provide students with clear guidelines and schedules for participating in extracurricular activities during college events. Ensure that adequate resources and support are available for organizing and managing these activities. Additionally, collaborate with local organizations or businesses to sponsor events and enhance the overall experience.

2. Organizing Inter-College Sports Competitions.

Establish a dedicated committee or team responsible for planning and executing inter-college sports competitions. Allocate funds for necessary infrastructure, equipment, and logistics. Forge partnerships with neighboring colleges or universities to facilitate seamless coordination and participation. Consider offering incentives or scholarships to encourage student athletes and promote sportsmanship.

3. Promoting Outdoor Games.

Integrate outdoor games into the college curriculum and extracurricular programs. Develop facilities and designated areas for outdoor sports activities such as football fields, basketball courts, and running tracks. Collaborate with local sports clubs or municipal authorities to access additional resources and expertise. Organize community outreach programs to involve nearby villages or disadvantaged areas, fostering inclusivity and social cohesion.
